Onderzoekinformatie: basisregistratie en definities (PURE)

Wetenschappelijke prestatie		Soort output	Definitie	Gebruik
content type	_category_	Output type (PURE subveld)	description output type	usage
research output	_research output exists in many variations, from written to non-textual form. Templates are available for a range of these variations, and can be populated from scratch or by import from external sources._			
	contribution to journal	_A journal is published in a consecutive number of volumes/issues, as a series with the same journal title. The journal will usually have an issn-number, e.g. issn 1234-5679._		
		article	a presentation of new research with other scientists as primary audience.	required
		letter	a short description of new, important research results. Not: letter to the editor.	required
		comment / letter to the editor	short commentarty/contribution to debate in a scientific publication, often about former printed articles.	required
		book/film/article review	review of a book/film/article, published in a journal.	required
		editorial	an article-like text with the official opinion about a subject, from a journal's point of view.	required
		special issue	a specific journal issue with focus on a special theme or subject.	optional
		meeting abstract	Abstract of a paper submitted for a conference and for inclusrion in a conference proceeding.	optional
		review article	an article that review previous research on a topic and provides a summarisation of the current understanding of the topic.	required
		short survey	a short survey is a mini-review of previous research on a topic, including a summarisation of the current understanding of the topic. It is generally shorter than systematic review articles and contains a less extensive bibliography.	required
		literature review	a critical review and evaluation of (scientific) publication.	optional
		conference article	An article that has been presented at a conference and published in a journal	0
		erratum	Erratum/corrigendum	0
	chapter in book / report / conference proceeding	_Books, reports and anthologies/collected works where the author(s) are only responsible for part of the work, e.g. a chapter. The work may have an isbn-number_		
		chapter	chapter or part of a book, report or anthology/collected work.	required
		entry for encyclopedia / dictionary	a short , focused article on one or more subject(s) or event(s) for publication in an encyclopedia.	required
		conference contribution	article that has been presented at a conference.	required
		foreword / postscript	contribution to book/report/conference prior to the main text (foreword), as well as after this (postscript)	required
		paper	scientific text prepared in advance, for a conference. Made available at the conference or institutions own website, but not published officially in a journal/proceeding.	optional
		poster	a poster is a presentation of a work at a conference. Often with a dominating visual aspect, allowing a quick overview.	optional
		abstract	an abstract is a short condensed preview of an article or work, presented at a conference.	optional
	other contribution	_research output that does not fit into other categories_		
		other contribution	contribution that does not fit into the other categories.	optional

book / report	Books, reports and anthologies/collected works where the author(s) are responsible for the entire work. The work may have an isbn-number		
	book	a completed, stand-alone work published in one or more volumes. Often with one or few authors and one or few subject areas.	required
	book editing	a collection of a numberf of contributions to a completed work on a more of less specific subject. Mostly with a various number of authors. It can have a specific scientific audience, or a more popular approach to a wider audience.	required
	report	a report with a pre-defined objective, requested by the institution in charge.	required
	inaugural speech	the publication of a public speech made on the occasion of professors officially acceding to their post.	required
	valedictory speech	the publication of a public speech made on the occasion of professors officially leaving their post.	required
working paper	Research output notes (Working paper)		
	working paper	Working/discussion paper constitutes an early version of a publication. Working/discussion papers are primarily used for exchanging ideas or get feedback, before submitting it to a publisher - usually the author's own institution.	optional
	discussion paper	Working/discussion paper constitutes an early version of a publication. Working/discussion papers are primarily used for exchanging ideas or get feedback, before submitting it to a publisher - usually the author's own institution.	0
non-textual form	Research output that is not explicitly text. E.g. content with main focus on audio or images.		
	software	stand-alone software for execution of specific tasks.	required
	digital or visual products		optional
	web publication / site	electronic publication. e.g. website.	required
	artefact	artefacts of various kinds.	optional
	exhibition	sculptures, models, paintings, (art) installations etc.	optional
	performance	dramatic or musical entertainment	optional
	composition	musical scores, notes, sheets.	optional
	design	designs in various forms.	optional
thesis	0		
	research internal / graduation internal	the PhD candidate has an appointment at the VU University Amsterdam and the graduation is at VU University Amsterdam	required
	research external / graduation internal	the PhD candidate has an appointment at an other institute and the graduation is at VU University Amsterdam	required
	research internal / graduation external	the PhD candidate has an appointment at the VU University Amsterdam but the graduation is at another institute.	required
	research external / graduation external	the PhD candidate has an appointment at an other institute and the graduation is at another institute.	required
	doctoral thesis	doctoral thesis	optional
	master's thesis	master's thesis	0
memorandum / exposition	Academic/professional elucidation, analysis or investigation, that is not published in a form of an actual report. E.g. a note, elucidation or other inquiries related to the parliament, ministries, councils or regions handling of cases or law-preparing work. Elucidation and note must be covered by a duty of journalisation, which means it must have a journal number.		
	case note	Academic/professional elucidation, analysis or investigation, that is not published in the form of an actual report. E.g. a case note.	optional
patent	0		
	patent	A patent is a document that grants the rights of a piece of work/invention to its originator	0

	contribution to specialist publication	0		
		article	Add research output that has been published in a domain specific journal, with a more communicative approach	0
	contribution to memorandum/exposition	0		
		memorandum contribution	Contribution to academic/professional elucidation, analysis or investigation, that is not published in the form of an actual report. E.g. a note, elucidation or other inquiries related to the parliament, ministries, councils or regions handling of cases or law-preparing work. Elucidation and note must be covered by a duty of journalisation, which means it must have a journal number.	0
activities	*the purpose of the activity content type is to capture past or current activities related to professional expertise.*			
	membership	*purpose of the template is to register council, committee, board, or network etc. membership, including capturing associated event or organisation details.*		
		membership of board	Membership in the role of member or chair of a council, committee, board, or network etc.	required
		membership of committee	Membership in the role of member or chair of a council, committee, board, or network etc.	required
		membership of council	Membership in the role of member or chair of a council, committee, board, or network etc.	required
		membership of network	Membership in the role of member or chair of a council, committee, board, or network etc.	required
	participating in or organising an event	*purpose of the template is to register attendance at or organisation of a past or current event (conference, workshop, symposium etc.), including capturing details of the event.*		
		organising a conference, workshop, ...	Organisation of a past or current event (conference, workshop, symposium etc.).	optional
		participating in a conference, workshop, ...	Participance at a past or current event (conference, workshop, symposium etc.).	optional
	examination	*purpose of the template is to register examination activities, including where acting as opponent or as part of an examination committee. The template includes capturing examined person and/or organisatisation of examination details.*		
		examination	Examination activities, including acting as opponent or as part of an examination committee. Supervising theses should NOT be registered here, but under Thesis (in Research output).	optional
	publication peer-review an editorial work	*purpose of the template is to register publication peer review an editorial work, including capturing associated journal, publisher, or event details.*		
		publication peer-review	0	optional
		editorial work	A long-term editorship of a journal or a book series can be reported here.	required
	hosting a visitor	*purpose of the template is to register a visit from a individual from another research institution, including capturing details on the visiting external person.*		
		hosting an academic visitor	0	optional
	consultancy	*purpose of the template is to register consultancy work as part of a researchers professional work, including details on the organisation or event for whom consultancy work is done.*		
		consultancy	Consultancy work as part of a researchers professional work.	optional
	talk or presentation	*purpose of the template is to register a talk or presentation, including capturing associated event or organisation details.*		
		invited talk	A keynote speaker has given a keynote lecture at a conference, workshop, symposium etc. An invited speaker has explicitly been invited and has given a speech or talk (expenses were paid for by the hosting organisation). A speaker has given a speech or talk for a public that does not largely belong to their own organisation.	required
		oral presentation	0	optional
	visiting an external institution	*purpose of the template is to register a visit to another institution, including capturing details on the visited external organisation.*		

		visiting an external academic institution	Visit at another institution.	optional	
	other	*purpose of the template is to register all other types of past or current activities*			
		other	Activity that does not fit into the other categories.	optional	
prizes	*the purpose of the prize content type is to capture prizes and other professional distinctions a researcher have been awarded.*				
	prize	*0*			
		prize	A prize or grant of significant importance. This can e.g. be for, but is not limited to, a specific publication, or one's entire body of work. This category also applies to VENI-VIDI-VICI, ERC, Spinoza and similar grants.	required	
		honorary award	Prizes or awards that do not fit into the category prize of significant importance.	optional	
		other distinction	0	optional	
	press/media	*0*			
		expert comment	Expert comment on a subject presented in the media, to clarify or judge the information that is being discussed, in the role of expert on that subject.	required	
		other	Other appearance or other contribution in the media (e.g. main subject is not the research nor the researcher as such, but research or researcher are mentioned).	optional	
		public engagement activities	Appearance or other contribution in the media involving the general public.	required	
		research	Appearance or other contribution in the media, e.g. discussing or having one's research discussed, on radio, television, in the press or on the web.	required
